Dear Friend of Riverside Legal Aid:

Because of caring individuals like yourself, Riverside Legal Aid has been leading the legal aid community to helping more and more of the indigent population of the Inland Empire with their vital legal issues and litigation. We have been able to save many individuals from homelessness because of our newly created homelessness prevention units in Riverside and the Coachella Valley. We continue to provide excellent service in family law, guardianships, conservatorships, small estates probate, bankruptcy, and federal civil cases, again saving many from homelessness in those endeavors as well. We are proud to announce the formation of a new DACA and Citizenship service as well. We have not been slowed by the Covid-19 virus by continuing to provide remote services when necessary. Please visit our website for information at riversidelegalaid.org.

Would you kindly consider supporting Riverside Legal Aid through a donation or sponsorship to our "First Annual Virtual Wine Glass Paint Party on Friday, December 11, 2020 at 6:00 p.m.? Your participation and support are important for Riverside Legal Aid to continue this vital work. We count on businesses like yours to support our efforts. Business Sponsorships start at \$500 and goes as high as \$2000. Individual sponsorships are \$100. Tickets to the event are \$40.00. *Please see attached for our menu of sponsorship levels or the registration form to purchase tickets.*

Proceeds sent will go to support all our services and thereby continue to support the health, safety, the wellbeing of all residents of the Inland Empire.

Any questions may be directed to the Executive Director, Rita Smith at 951.682.4423 or ritasmith@riversidelegalaid.org Again, our thanks for helping to provide a better community through your support of Riverside Legal Aid.

With warmest regards,

Rita Smith
